MAD #250

The cover of #250 made a "splash" in great MAD Magazine cover history! (Even though there isn't much of a history.) My compliments to the chef.

Rob Wilharm
Elgin, ILL

When buying MAD #250, I saw your cover featured Alfred dressed as Indiana Jones. He had a sword in his hand and was about to cut off a mermaid's tail. I was wondering... after he cuts off her tail, could I have the rest of her body?

Philip Mathew
Topeka, KS

Sure! You can buy it when we have our annual "half off" sale!—Ed.

There was something very fishy about the cover of MAD #250.

Andrew Breston
Saginaw, MI

Of course there was! We pay all our writers and artists "scale"!—Ed.

"SPLASH"

A question on "Splashdance": Did Arnie Kogen ever live in Philadelphia, or has the reputation of South Philly girls become more widespread than I realized? I can see it now, old Polish jokes recycled as South Philly jokes.

J.B. Post
Philadelphia, PA

Philadelphia Etiquette?

MICHAEL JACKSON GREATEST OR LAMEST?

What do you guys have against Michael Jackson? You received two letters begging you to stop printing cruel material about him, then you went ahead anyway and published that trash about him in "The MAD Nasty Book, Vol. V"! Not only is he a great singer, but he's a great dancer, too. Give the guy a break, will ya??

Troy Miller
Lafayette, CA

Other letters of support for Michael Jackson (and nasty comments about "The MAD Nasty Book, Vol. V") came from: Lara Kasparin, Glendale CA; Jason Dillard, West Plains, MO; Becky and Lisa, Mission Viejo CA; Denise and friends, Alma WI.

I am definitely *not* a Michael Jackson fan and I am sick of hearing about how great he is supposed to be! I applaud you for putting him down in "The MAD Nasty Book, Vol. V"!

Cathy Mezensky
Fork, MD

Your comments about Michael Jackson in "The MAD Nasty Book, Vol. V" proves one thing—even the idiots at MAD can be accurate once in a while!

Derek Land
Mississauga, ONT

Other MAD readers who will never join Michael Jackson's fan club are: Eve Osten, Willowdale ONT; Billy Steele, Viola AR; Sandy Ross, Skaneateles NY; Sean Maxwell, Pittsburgh PA; Ronna M. Boujo, Brooklyn NY; Tracy Lamourie, Bancroft ONT; Jeff Mirrione, Hollister CA; Ellen Sadenwasser, Waysay WI; Greg Santo, Easton CT; Bill Hahn, Oakdale CT; Jeffrey Saladino, Double Oak TX; Karl Lehnhardt, Charlotte NC; Robert White and Bradley Cooke, Lockport NY; Jerry Lambert, Chris Newcomb and Chris Kirby, Somewhere USA; Susan Dell, Los Gatos CA; David Srennett, Hattiesburg MS; Tim Leavitt, Lisbon NH.

PRINCE IS COMING!!!

Let's see you do a satire of "Purple Rain". I'm sure you could make Prince look even funnier than he already does! I waited a long time for your version of "Splash", and was finally rewarded in MAD #250, I hope my patience will pay off once again!

W.E. Quinci
Chula Vista, CA

Your patience will pay off! Look for "Purple Rain" along with "Ghostbusters" and "The Karate Kid" in a special "Summer of '84 Movie Roundup" article in MAD #253!—Ed.

MAD 84

I have your new issue, MAD 84, and I noticed it has 84 pages. I have one question, how many pages will your "MAD Extra" have in the year 2000?

Kevin Landry
Somewhere, USA

After reading "Acronyms You Never Knew Existed" in MAD 84, I realized you forgot one very important one: MAD Magazine—Moronic Annoying Drivel Made to Agonize Generations of Active Zookeepers and to Internally Nauseate Everyone.

David Maxwell
Fairfax, VA

In MAD 84's "The MAD Reader's Sex Survey" one of your questions was "How do you feel about S & M?" Could you please tell me what S & M is?

Joe Melvin
Bloomfield, IA

Never! You'll have to beat it out of us!—Ed.

MAD COMPUTER SOFTWARE

I thought your readers (all two dozen of them) would like to know that the official MAD Magazine Spy Vs. Spy game is now available for the Commodore 64, Apple II series and Atari home computer systems. It's an easy game to play, but a difficult one to master. (Which is why the slogan of the game is "If at first you don't succeed, Spy, Spy again!") The game is available wherever computer software is sold, but if any of your clod readers have any questions about it, they can write or call: First Star Software, 18 East 41 Street, New York, NY 10017. Telephone: (212) 532-4666.

Richard Spitalny
President, First Star
New York, NY

PS. Would you please tell your "usual gang of (cheap) idiots" to stop calling my office and bugging my secretary for free copies of the game! The answer is "NO!"

GENERATION PAP DEPT.

Throughout TV History, one of the most popular words in series' titles has been "Family." We've laughed, cried and cheered at shows like "All In The Family" and "Family Affair" and "Family Tree" and just plain "Family." Now, let's throw up over this latest one...as we get a little seasick, bobbing and weaving through:

Hi, there! Welcome to **SitCom Paradise!** We're the **Eden family!** I'm **Stiffin!** I was once a 60's "Make-Love-Not-War" **Liberal!** Today, I'm an intelligent, sensible, civilized, understanding **Father!** And as close to being a **REAL-LIFE Father** as **BOY GEORGE!!**

And I'm **Caprice!** I was once a 60's "Flower Child"! Today, I'm a warm, reasonable, sensitive pregnant **Mother!** They don't make **Mothers** like me anymore...and they **NEVER DID!**

We think alike...we act alike...we **never fight...** and **NOBODY** could ever love **ANYONE** more than I love her!

He's **wrong!** I love him **MUCH** more than he loves me...and he **knows** it!!

You know what might be fun, Honey? If you and I, just for kicks, had our **first fight** in **twenty years!**

We just did!!

NO WONDER I'm suddenly so exhausted! Would it be okay if I kiss you with only **ONE lip** for the next half hour??

Family Tides

Well, now that we've recovered from that grueling battle... what story line shall we cover this week?

Any of the usual will do! You know! Teen sex problems, alcoholism, complications with my pregnancy! Stiffen, why do Critics say that our show is at the **AWKWARD** stage?

We're too strong for the "Leave It To Beaver" crowd... and too wimpy for "Dynasty"!!

Well, look who's here! It's our teenage daughter, Malady!

What problems can we help you solve this week, Dear? Do you think you're pregnant, too? Have you got herpes? Are you in love with Magic Johnson...?

You name it! We're here to help as always, in our own intelligent, reasonable way!

Mom, Dad, I'd like to go to the beach... and catch me some sun!

Oh, my God!!

Oh-oh! Well, she's sixteen now, Caprice! I guess it's time you took her aside and told her the **FACTS OF SitCom life!!**

ARTIST: MORT DRUCKER

WRITER: LARRY SIEGEL

You see, Dear, Comedy Series people usually live in a two-room house...

you mean, like US! With just a living room and a kitchen!

Exactly! Now, once in a while, we might go to a place like Dad's office... or your classroom! But generally, all we see are these two rooms... **PERIOD!!** And we **NEVER...** **NEVER** go OUTSIDE!

But, that's not fair!! "Cagney and Lacey" go outside! "Remington Steele" goes outside! "The Fall Guy" goes outside!

True, Dear... but they're "DRAMA" people! The "Gimme A Break" group never goes outside! The "Cheers" crowd never goes outside! The "Webster" gang never goes outside!

It's cruel! Never able to go outside, and having to live in nothing but **TWO LOUSY ROOMS!!**

I'm sorry, Malady, but that's the way it is!!

Dad, what are you doing in the living room? I thought this was girl talk between me and Mom!!

I... I noticed the kitchen floor was wet! Where ELSE could I go??

Come, Malady... I believe I can solve your problems...!

See...? With a dry floor and a 300-watt bulb, it's almost the same as Malibu!!

Right! And if you miss the mountains, we can clear off the top of the refrigerator!

It's not the same! I wanna go outside! I WANNA GO OUTSIDE!!

You know how I hate punishing you kids, Malady! But I'm afraid I'm going to have to send you to your ROOM without any SUPPER...!!

But I don't even HAVE a room to be SENT TO without supper!!

Yes, you do! It's called "OFFSTAGE"! Now, GO...!

These kids nowadays—chuckle, chuckle—they want the moon! Next thing you know, she'll be asking for a BATHROOM!!

Don't laugh, Stiffen! I hear they may install one on the "Newhart" show! No TOILET BOWL, of course... but a bathroom just the same!

Gosh, I sure hope I didn't hurt Malady's feelings! I think I was fair with her! Not as fair as you were... but fair!!

Oh, no! You were MUCH fairer than I was! Even though I WAS fair!

Look! Here comes Smartalex, our pushy overbearing son... who has singlehandedly created a new role model for Teenage America to worship—the Conservative Square Punk...!!

Man, oh, man, am I teed off!!

Do you want to talk about it, Son?

I'm sick and tired of talking out my problems with my understanding parents! Is it okay if, just once, I keep it all inside me... and then EXPLODE?!

Okay...! But do you want to talk about WHY you want to keep it all inside you... and then explode??

Stop! I'll talk! I'LL TALK...!!

I'm **REALLY** ticked off! I tried to get my fellow members of "The Young Republicans Club" to buy these "MAKE POT SMOKING A FELONY" bumper stickers that I had printed up, but they all refused! They said they were afraid their PARENTS would wind up getting busted!

Gee, Son! Too bad!! But, even Lee Iacocca doesn't turn a profit on EVERYTHING!

Hey, I've got an idea! The Government bailed out CHRYSLER! How about letting your Mom and Dad bail YOU out? WE'LL buy all your bumper stickers!! Let's see! 300 stickers at \$1 each...

Right! And we'll just put them right over here...!!

I KNEW I should've kept it all in... and exploded!!

Well, I guess that takes care of our family problems for another week!

Dad... I have a problem...

Yes, And, as usual, I think we handled things very well!

Mom...! Dad...! I have a problem!

Guess I'll go watch some TV...

My problem is: People think that I'm the most boring 10-year old in the world... and no one even knows that I'm ALIVE!!

Good Idea, Stiffen! You relax, and I'll put away the dishes!

Who are YOU?

Your daughter Yawnifer!!

Stiff, this is our boring daughter, Yawnifer...!!

WHO?! Oh, yeah! So tell me, Yawnifer... what's YOUR problem?

Aw... FORGET IT!!

And now to relax and watch some television...

Stiffen! This is weird! All of our kids are GONE!! Malady isn't offstage in her room, Smartalex has disappeared from the house, I don't know where Yawnifer is, and LOOK...!!

The NEW kid has left, too?! This looks like real trouble! Maybe we should get some professional help!

Folks,
you've
got a
very
big
problem!

But, Doctor...! Ever
since we met, we've
loved each other! And
we tried to pass that
love down to our kids!

Right! For twenty years, our
love has burned constantly,
and we've always tried to be
intelligent, reasonable and
understanding parents....!

Yes...
I know!
And
THAT'S
your
problem!

You see, nowadays most
kids come from broken
homes! This gives them
an incentive to triumph
over a cruel world! You
have no idea the peer
pressure your kids are
under in a happy home!

Doctor!
Are you
saying
that we
should
get a
divorce?

Well, if
not for
YOUR
sake...
at least
think of
your
children!

What a cheap show!!
I don't mind making
house calls...but
to a kitchen...??
With my own couch??

My God, Caprice!!
I don't even know
how to **START** to
break up! I still
love you very much!

And I love
YOU even
more than
YOU love
ME!!

Are you still trying
to give me that @\$\$%&
crap about **ME** not
loving **YOU** as much
as **YOU** love **ME**???

What are you... some
GOD... to tell **ME**
how much I adore **YOU**,
you insensitive pig?!

Now you listen to
me, Clorox-Head!!

No, you listen to
ME, Forest-Face!!

Look, Caprice! Malady,
Smartalex and Yawnifer
are **BACK**! They must
have heard us arguing!

Yes, and **LOOK**...!!

The **NEW** kid
is back, too?!

He **HIT**
me...
for the
first
time in
my life!

She's
been
nagging
me to
death!

He's jumping
up and down
and screaming
like George
Jefferson!

She's
whining
like
Edith
Bunker!

They've
both

They're not

yet...but
at least
they're

thing

ONE FINE MORNING AT STATE PRISON

COMPUTUS DIGITUS

Man enters into the Computer Age. The marvelous new computer frees Man to do really important things ...like building more computers.

HERPES INFECTUS

The one-night stand becomes almost extinct as herpes is spread through the sexual community. Much is written about this *Herpes Infectus*, mostly on Men's Room walls.

BOOM BOX MAN

This unique mutant species carries his music with him, playing it at dangerously high volumes. Although *Boom Box Man* suffers no hearing loss, he does deafen most of the other people around him.

GULLIBUS JOINUS

Known to join cult groups like "The Moonies," "Jews For Jesus," "Hari Krishna" and "EST," there is only one group this species will not join: "The Work Force."

FEMINIS LIBERATUS

A new era begins as the female of the species evolves, asserting her role in the male work force. The male, however, reaps his revenge ...by cooking her dinner.

STONEDHEAD MAN

Following the teachings of his leader, Timothy Leary, *Stonehead Man* attempts to "Learn" through the use of illegal hallucinogenic drugs. Ultimately, he only wants to learn one thing: Where he can go to score more drugs.

HOMO HOMO SAPIEN

This species deviates from accepted sexual norms by attracting mates of the same sex. They successfully produce lasting relationships, but they are not as successful at producing offspring.

By the time Mankind reached the 1960's, he'd evolved into the Nuclear Family. Everybody was happy, everybody ate apple pie and everybody called his father, "Sir!" Since then,

THE EVOLUTION OF

NEO-SONY WALKMANITE

An offshoot of the *Boom Box Man*, the *Walkmanite* almost marks the end of Mankind—as the search for food is replaced by the search for Double “A” size batteries.

VIDEO ADDICTUS

This primate spends his entire life playing video games. There was only one time in recent history when *Vid-eo Addictus* was not seen playing a video game: during the '81 blackout.

FANNUS TREKKIUS

The TV show, “Star Trek,” is canceled, and an annual religious event is created as millions of this new species, devoted fans, gather to perform a ceremonial death rite for the show. This is now known as a “Convention.”

CRO-MAGNON DIMWITTUS

Appearing coincidentally with the birth of the pocket size calculator, this new species is a setback for Mankind as he loses his ability to add, subtract, multiply or divide.

HANGUS TENUM

The surfing craze attracts masses to the coast. New and important phrases like “Far out!” and “Oh, wow!” are originated by this new species. The rest of the English language is lost.

SMELLUS FILTHIUS

Smellus Filthius, or “Hell’s Angels,” as they are known, also flourishes along coast beaches. However, *Smellus Filthius* never surfs... because no force on Earth can get him even close to water.

SHINNUS SPLINTUS

This determined species jogs miles each day striving for perfect health. However, later tests disclose that health benefits do not stay with him after he stops jogging. But his calcium knee deposits do.

DARWINNERS AND LOSERS DEPT.

Man has undergone drastic changes in his evolution to wind up in the miserable mess he’s in today. It’s true! All you have to do is check out the evidence in this MAD look at—

LETTERS ENTERTAIN YOU DEPT.

Back in the mid-1960's, the Motion Picture Association of America came up with its "Code and Rating System" to let moviegoers know ahead of time just what kind of film they were wasting their money on. They came up with four different ratings:

G General Audiences
All ages admitted.

... A goody-goody stamp of approval. No producer wants his film to get this. It guarantees box office failure!

PG Parental Guidance Suggested. Some material may not be suitable for all pre-teenagers.

... An indication of some semi-strong language and hints of sex that only Rev. Jerry Falwell would find offensive.

R Restricted. No one under 17 will be admitted without parent or legal guardian.

... We're into the "adult" area. This rating means a film contains two of America's favorites—sex and violence!

X No under 17 will be admitted.

... Hard-core pornography here. Sex, sex and more sex!! Watch out for guys with raincoats if you go to this one!

But, like most things in life, this system never really lived up to its expectations. It's too vague and really doesn't tell the moviegoer all he wants or needs to know. Funny enough, that's where this article comes in. Want the *real* low down on what's playing at your local theatre? Then ask the theatre manager to adopt...

THE MAD MOVIE RATING SYSTEM

WRITER: JOHN FICARRA

IDEA BY: BILLY DOHERTY

BB

This film contains at least one eye-popping, full frontal shot of a well-known actress's fabulous Bare Breasts.

SH

You will develop a Splitting Head-ache about 10 minutes into this film from wearing the cheap 3-D glasses.

FD

Good First Date movie. Sexy, but not so dirty that your date will think that sex is all you think about, even though it really is!

DS

Good Dolby Sound but not much else. If your local theatre has a cheesy sound system from the Eisenhower Administration, don't waste your time.

RO

This film is a lousy, lewd ripoff of Porky's, equally lousy and lewd.

NS

Attention horny teenage boys! Do not be misled by this film's "R" rating. The "R" was given for violence and language, Not Sex scenes.

OK

An OK film, but not worth \$5 admission. Wait for it to come on cable and spend the \$5 on a large pizza.

GP

This film becomes an awesome experience when you sit in the front row and are smashed on some Good Pot

PB

The only morons who'll go to this "el bombo" are those who drooled over the nude pix of the female star of this movie in "Playboy".

ST

Sub-Titles. The critics will hail this "brilliant" foreign film. The average American moviegoer will be totally lost in about 10 minutes.

ZZ

Another pseudo-intellectual American director pays boring homage to the very boring Bergman or Fellini. You'll fall asleep in your popcorn.

MS

A mediocre MAD satire will be done on this film around 18 months from now, long after it's all played out.

THE JOB

Hi, Dear! How was your day?

FANTASTIC!! I was fired!!

You were FIRED?!? What's so fantastic about that??

Because I ALSO found out I'm worth a quarter of a million bucks!!

Really? How come??

That's what the company spent on the computer that's REPLACING me!!

She's not ready yet! Come in, and let's chat while we're waiting!

So tell me... what do you do for a living?

To tell you the truth... at the moment, I'm UNEMPLOYED! The fact is, I'm FLAT BROKE!

Son, let me give you some wise advice: "Poverty is absolutely nothing to be ashamed of...!!"

I'm glad you feel that way!

Boss... did you want to see me...?

Yes! I wanted to know how your health is!

Me? I feel fine, Boss!

You mean you don't have any ulcers... or a nervous stomach... or insomnia?!

Gee, no, Boss! I'm in perfect health!

Well, in this business, that's IMPOSSIBLE! Obviously, you're NOT DOING YOUR JOB... !!!

MONEY

Money isn't everything!

No, it isn't!

But it sure comes in handy when I have to pay what I've charged on my Credit Cards!!

SCHOOL

Today, I was the only kid in class who could answer the Teacher's question!!

How nice! And what did the Teacher ask??

RELATIVITY

You know what "Einstein's Theory of Relativity" is all about, don't you Dad?

I—I'm really not sure!

Well, let me explain it! In relation to the age of the universe, a million years is but a mere moment... comparatively speaking, right... ??

I suppose that's right!

And in relation to our National Debt, twenty bucks is but a mere part of a penny... comparatively speaking, right... ??

I suppose it is... !!

Then can I have twenty bucks?!

Sure...!! In a mere moment... comparatively speaking!!

FRACTIONS SPEAK LOUDER THAN WORDS DEPT.

A "percentage" is a portion of a whole, expressed in hundredths. For example, 80% of all articles printed in MAD have introductions preceding them. So, while this particular article needs no introduction, MAD's Editor made me write one, just to keep up the percentage. *You've finished with Don Martin
And our spoof of this month's flick;
You've figured out the Fold-In
And not once did you get sick;
The best is now behind you;
Still, we'll toss you one more crumb;
So brace yourself, Mad readers,
For the verse is yet to come.*

POEM

Rejoice!

*When some dear friend drives off a bridge,
Rejoice should he survive!
And when that friend is beaten up,
Rejoice if he's alive!
And should that friend get deathly ill,
Rejoice if he pulls through!
But by and large and most of all,
Rejoice it wasn't you!*

Determination

*Well, sure it's tough when you've been creamed
To rise up off the floor;
And sure it takes a lot of guts
To risk your hide once more;
While other guys might chicken out,
You've got to keep persisting;
Because, who knows? One night you'll date
A girl who's not resisting.*

Devotion

*He trots along behind you,
And he's loyal and well-trained;
He can sit up and roll over
And he never has complained;
And he always comes a-running
Every time his name you call;
But what else were you expecting?
He's your husband, after all.*

On Growing Old

*Your hair has turned to silver
And deep wrinkles line your face;
Your memory is failing
And your teeth don't stay in place;
Yet even though you're stooped and bent,
And energy you're short of,
Kneel down and thank the Lord above
That you're alive—well, sort of.*

*...To Inspire You And Bring
Hope To Your Heart And Make
You Feel A Whole Lot Better*

Solitude

They say that you're a loner,
But on that you disagree;
You have a thousand thoughts and dreams
To keep you company;
You like the lonely life you lead;
On that you are resolved;
Besides, with all the crime out there,
Who wants to get involved?

Blessings

There are riches in the hearts of friends
You'll never find in banks;
There is wealth beyond your wildest dreams
In one small word of thanks;
There is gold within the sunset as
It glimmers in the west—
But all that crap won't keep your car
From being repossessed!

Deliverance

You've blown the deal, you've missed the boat,
You've lost the crucial game;
And now you face yourself and say
That you're the one to blame:
When guilt and shame and self-reproach
Lie heavy on your head,
Break free of burdens such as these—
Blame someone else instead.

Forgiveness

The friend who ran off with your wife—
Forgive him for his lust;
The chum who sold you phony stocks—
Forgive his breach of trust;
The pal who schemed behind your back—
Forgive his evil work;
And when you're done, forgive yourself
For being such a jerk.

Hi, all you "Law-And-Order" fans! I am retired Judge Miltown C. Hardhassle! I now spend my free time catching felons who were brought before me in Court, and who were freed on some small technicalities...like being innocent, or nonsense like that! So I've gone from **UPHOLDING the Law to BREAKING IT**...about a dozen times per episode...seeing that Justice is done...or at the very least, that an hour of Prime Time is filled violently!

I'm Marked McCorny, an ex-con on parole, who was placed in the Judge's custody! Before the Judge took me under his wing, I used to ride around in **fast cars**, make **\$\$\$** with **fast women**, get into **terrible trouble** and get **arrested** a lot! Thanks to the Judge, I **STILL** ride around in **fast cars**, make **\$\$\$** with **fast women** and get into **terrible trouble**...only **NOW**, I no longer worry about getting **arrested**! And to think...there are people who say, "Today's Judicial System just doesn't work!"

I'm the **CAR** in this series! No, don't freak out because I'm talking! On the actual show, I'm **NOT ALLOWED** to talk! You see...that's the only way the TV audience can distinguish between this series and "Knut Rider"! If the car **TALKS**, you're watching "Knut Rider"! If it **DOESN'T**, then you must be watching...

No, I'm running out on the check! I'm retired, and you're unemployed! Who can afford to eat in a fancy restaurant like this! C'mon, let's go!!

What kind of coat did you check, Sir??

Oh, no coat!! I checked my **CAR!** It's a bright red, low-slung sports car!

Uh... would you mind stepping in and pointing it out? A lot of TV folks eat here, and we've got dozens of cars checked here that match that description!!

Y'know, you're a pretty foxy-looking chick! How would you feel about going out on a date with a macho guy?

Oh, I'd love it! What night is the Judge free?

I know you said that as a little joke... but just remember that this show has a "three little joke minimum"!

Yeah, and it **ALSO** has a "six barf minimum," which **YOU'VE** already exceeded!!

Hey, what happened, Judge?? Don't tell me someone tried to **KILL** you again?!

But isn't Jackson's picture SUPPOSED to be on the \$20 bill...?

Yeah! But ANDREW Jackson! NOT Michael Jackson!

Any relation to Pittsburg Pirates...?

Absolutely none! Just like this show has no relation to entertainment!

Uh—just joking, Judge! The TV audience expects ex-cons who've been brutalized by guards and other ex-cons to have a certain GAY, WHIMSICAL approach to life!

"X-RATED" MOVIES MARKED DOWN TO "PG"

Boy, these guys are tape pirates of the FIRST ORDER!! They steal movies before they're even released, make dupes and sell them in stores like this!

They even steal movies and dupe them BEFORE they're MADE!! Look at these titles...!! "ROCKY IV"! "SUPERMAN IV"! "JAWS IV"! "STAR TREK IV"

We have to get proof that the tapes they're selling are illegal! Pose as a customer and buy some!!

BUY some?! Why don't I just STEAL some?!!

McCorny, you don't fight a crime with a crime!!

Why not? it works with FIRE!

Uh... I'm interested in buying some hot tapes!!

I'm not interested in THOSE kind of hot tapes, Mister!

Well, we just got in "King Kong and the Pom-Pom Girls" and "Amazon Women Invade the Wonderful World of Nude Mud Wrestling" and "Deep Throat, Nostril and—"

Oh, I get the picture! How about "Muscle Men of Muscle Beach Meet Charles Atlas"?

Uh... excuse me! Did I say "hot" tapes?? I meant "hit" tapes! Tapes of hit movies that won't open in theaters for months!

Listen, Mac... if you're talking about buying illegally pirated tapes of future movies, YOU'VE COME TO THE WRONG PLACE!

Step over to that OTHER COUNTER!! There's where we sell the illegally pirated tapes of future movies!!

Okay! Now, I just got a shipment of "The Empire Strikes For More Pay" and "Indiana Jones and The Temple of The Hasidim"....!

Well, if you have nothing newer, I'll take one of each! Here's a \$50 bill!

I got a feeling this bill is counterfeit! It's got a picture of Ulysses Grant on it!

Yeah! So??

It should be CARY GRANT!

ILLEGAL TAPES SOLD HERE

Okay I got some tapes! Now what??

Let's check out the address on them... and see if it's the headquarters for the operation...!

Shouldn't we call the cops?

Hell, no!! There are so many detective shows... and so few plots... let's keep this one all to ourselves!!

Shall we do our weekly "Clever Plan"?

Right! I'll go in... sign up as a truck driver... and risk my life trying to find out who "Mr. Big" is!

And I'll do the important work... sit in the car and flash my Judge's I.D. in case a cop tries to give us a ticket for "Illegal Parking"!

HEADQUARTERS FOR THE OPERATION OF ILLEGAL TAPES, INC. COME ANY CLOSER AND YOU'LL BE SHOT
